STAT

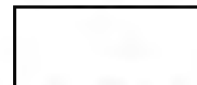

We have received a letter from Representative Harold D. Cooley enclosing your Form 57 and indicating your interest in employment with this Agency.

We have noted that your first preference is for a position overseas but that you are also willing to consider employment in Washington, D. C. or elsewhere in the United States. Our requirements for personnel abroad are filled through the rotational assignment of career employees who serve both in the United States and overseas. New employees are first assigned to our headquarters office in Washington so that they can become familiar with our procedures and activities before undertaking an assignment overseas; whether they are subsequently offered an opportunity to serve abroad depends upon a number of factors and we cannot assure an applicant that such opportunities will be forthcoming. Accordingly, our initial consideration of your application will be in terms of openings in our headquarters office.

Your Form 57 has been referred for review by appropriate officials and we shall advise you further when they have completed their review. In the meantime, we want to thank you for your interest in employment with us and to assure you that your application will receive careful consideration.

Sincerely,
